COME HEAR FROM

Robert (Bobby) Corrigan, PhD, Urban Rodentologist, RMC Pest Management Consulting

Bobby has been active in the science of urban pest management for over 25 years. He serves a consultant who specializes in rodent pest management programs on a national and international scale and also as a part time research scientist with The City of New York's Department of Health.

Cor Vink PhD, MSc, Curator Natural History, Canterbury University.

Cor's main research interest is the systematics and taxonomy of New Zealand spiders, but he also worked on spider ecology, biosecurity and biological control. Cor is an Adjunct Senior Lecturer in the Ecology Department at Lincoln University.

Helen Blackie, PhD, MSc, Boffa Miskell, Biosecurity Consultant, Principal Auckland

Prior to joining Boffa Miskell in 2014, Helen was Associate Director at the Centre for Wildlife Management and Conservation (Lincoln University), where she led a nationwide team of experts in engineering, creative design, animal behaviour, toxicology and ecology.

David Lilly, PhD, MEnt, Principal Entomologist, Ecolab Global Pest Elimination – RD&E

David is responsible for developing and supporting innovative pest management solutions for the larger Pest Elimination division. I have 15 years' experience in urban pest management, including both the auditing and/or development of tailored pest management solutions, and providing qualified technical support to high-needs customers.
